'But I am like an olive tree flourishing in the house of God' *Psalm 52*

Dear Parents and Carers,

I hope this newsletter finds you well. I wanted to take a moment to address a topic that has been raised by many of you recently regarding homework.

We understand the importance of home learning and its role in supporting your child's educational journey. To help clarify our approach, I'd like to share the details of our current homework expectations.

Our class teachers will be setting at least three different types of homework each week to support your child's learning:

**SPAG.com:** This online platform helps children develop their spelling, punctuation, and grammar skills.

**Daily Reading:** Each child will be given a reading book to read at home. We cannot overemphasise the importance of regular reading in supporting your child's literacy development.

**Times Table Rock Stars:** An engaging platform to help children practice and improve their times tables knowledge.

**Purple Mash:** An exciting digital learning environment that offers a range of curriculum-supporting activities.

We recognise that accessing these platforms requires login details. If your child is experiencing any difficulties with their passwords, I kindly ask you to contact their class teacher directly. They will be happy to assist you in resolving any access issues.

By working together, we can ensure that your children have the best possible support for their learning both in school and at home.

Thank you for your continued support.

Emma Moss

Headteacher
