'But I am like an olive tree flourishing in the house of God' Psalm 52

## June Newsletter

What an exciting half-term we've had!  
I'm delighted to share some of the wonderful experiences our children have enjoyed recently.

Please note that term finishes on 22<sup>nd</sup> July at 3:15pm.

## Staffing Changes

As we look ahead to the new academic year, there are some staffing changes to share. Mrs Gardner, who has been such a valued member of our team for 18 years, will be leaving us. We're very grateful for her dedication and wish her all the best. She will be replaced by Miss Coar, an experienced teacher who will be joining us.

Mr Sidat, who has been with us more recently, will also be leaving in July, and we welcome Mrs Riley to cover the remainder of Mrs Fitzmaurice's Maternity Leave. Both new teachers will be joining us for move up morning on 3rd July, which will be a wonderful opportunity for children to meet their new teachers.

## Dates for your diary

- 23rd June** Party in the Park
- 24th June** Year 5 Taster Day at Mount Carmel
- 24th June** Y5 Baghdad workshop
- 29th June** Y5/6 Teambuilding Event

- 16th July** Summer Fayre
- 17th July** Y5 Science Trip, Reports home
- 21st July** Final celebration award assembly
- 22nd July** Y6 Leaver's Assembly.

## OFSTED

I am thrilled to share that our OFSTED report has been published. You can view it here:

<https://reports.ofsted.gov.uk/provider/21/119386>

We're very proud of what the report reflects about St Peter's.

## Adventurous Activity

Our Year 6 children have been particularly adventurous. They took part in an orienteering competition at Wilsons playing fields, where they worked brilliantly together to read maps and locate 20 checkpoints. It was wonderful to see them applying their skills and thoroughly enjoying the challenge. They've also tested their courage at Go Ape, pushing themselves to new heights both literally and figuratively!

## Attendance

**Between now and the end of term we will be having attendance hot spot days. We will be conducting home visits for any child who is absent that day.**

We would like to remind you that good school attendance is essential in securing the best outcomes for your child. Children are expected to have a minimum of 96% attendance. Please do not keep your child off unless it is necessary.

Appointments should be made outside of school time where possible. If your child has an appointment we will need to see a copy of the appointment confirmation in order to authorise the absence.

The absence of any child will not be authorised if their attendance is below 90% unless medical evidence is provided.

Children must arrive on time. Late marks count towards attendance.

If your child is late parents MUST bring them on to the main entrance to sign them in.

**Parents of children with concerning attendance percentages will be invited into school to meet with the local authority attendance officer and see what help can be offered and may face fines if improvement is not made.**

## Classes for Next Year

Reception Mrs Turner

Year 1/2 Mrs Mooring

Year 3 Miss Wise

Year 4 Mrs Riley

Year 5 Miss Coar

Year 6 Miss Rigby.

## Making Memories

Across the school, our children have been learning in such engaging and memorable ways. Reception Class had a lovely day at the farm, where they discovered all about the different animals and even got to feed some of them. They saw cows being milked, enjoyed donkey rides and tractor rides – experiences that bring learning to life in the most wonderful way. Year 4 had an equally exciting time with an Ancient Egyptian workshop, exploring how the ancient Egyptians lived and even trying mummification. These kinds of immersive experiences really help our children connect with their learning.
