Welcome to St Silas

Church of England Primary Academy

On behalf of Cidari, the staff, governors, children and parents I would like to warmly invite you and your family to our fantastic Academy, St Silas. Our personal tour will allow us to show you around, see our classrooms and enrichment areas, and ask any questions.

At St Silas we place great emphasis upon the well-being and personal development of every child, basing everything we do on our Christian faith values of Love, Service, Thankfulness and Belonging. Loving God and each other is at the heart of our school and vision. In our school we celebrate the diversity of our local community and work with our parents to ensure we meet the needs of each child.

We provide a well - resourced, broad and balanced curriculum with lots of opportunities to widen your child's experiences through an extensive range of trips, visitors and extra activities. We have strong links with Children's University. All this enables us to develop your child's individual talents.

We have high expectations in both learning and behaviour, and by working together we aim to be the best that we can be. We encourage every child to be the best that they can be; the person God wants them to be. To book your tour please call the number below. We look forward to seeing you.
