

## Rowan Remote Learning Timetable Jan 2021

This timetable is a guide to lessons which will take place. In addition to this timetable, your child should be reading everyday, practising times tables and spellings, completing SAM challenge work and taking daily exercise - so if your child completes their tasks before the lesson is ended they still have plenty of learning to be carrying out. Live lessons - each lesson will involve teaching input to enable your child to complete their learning tasks. Most lessons will be followed by your child completing an independent task. Feedback will be given during live lessons and through Google Classroom. Each day the details of which lessons are live will be posted in the class stream along with the expectations of what your child must complete independently. Occasionally, the instructions may ask your child to log in to one of the other platforms we use such as My Maths or Purple Mash and complete learning on there. In October, your child brought a sheet home with all their login information on - if you need this resending please let Miss Morgan know.
