### **Road Safety Week 16/11/20**

Our School Council will be holding a competition to design a poster to be made into a banner to go outside our school to remind everyone about road safety. Children will be able to design posters around safe parking, wearing seat belts and crossing roads safely. Please watch out for more details from the school council.

The traffic outside school in the morning on Clematis Street has improved. This is due to a couple of reasons. Firstly more people are walking to school which is obviously a healthy choice which also reduces the amount of traffic. Secondly the traffic is spread out over a longer period of time.

Please do not park on the zigzag lines or stop in the middle of the road to let your child out. Please park nearby and walk to the school gate. Also it has been noticed that some children are not wearing seat belts. Please ensure that your children wear seat belts at all times as required to do so by law.

### **Anti Bullying Week 16/11/20**

Our school council will also be starting to work with our children on friendship and anti bullying. This will be a long term project continuing longer than anti bullying week.

### **Remote Learning**

If your child is isolating but not ill they must complete their remote learning. Remote learning is planned to allow children who are isolating to learn the same content as children in school. If you have any difficulties please contact school. There are a limited number of devices that can be lent to families who do not have a device. Sometimes it is possible to deliver work in a pack as well.

### **Free School Meals during Isolation**

If your child is entitled to free school meals ( not universal free school meals for Reception and KS1 children) and your child is isolating please contact school on 01254 698447 if you would like a food parcel.
