Home School Agreement – June 2020

Parents - Dropping Off and Collecting

- I will not enter the school grounds.
- I understand that no parent/carer will be allowed into the school building and that I will not be able to stop and chat with members of staff or others.
- I understand that communication with school staff will be done via Purple Mash, email or a phone call to school.
- I understand that I must adhere to the drop off/collection times given to allow social distancing measures to be effective.

Health risks

- I understand that the school and parents/carers need to have strict procedures in and out of school to reduce the risk of COVID 19 or other viruses and illnesses being brought into and spreading across school.
- All parents, children and staff will follow the current government policies strictly.

- I understand that my child will be in a year group 'pod' with a maximum of 10 children. 'Pods' of children will not mix together.
- I understand that the adults working in school will try to maintain common sense in terms of social distancing whilst working with the children; however, they are caring for the children and therefore may at times work closer than 2 metres with them.
- I understand that whilst the school will always try to regularly clean the areas used, will engage in frequent hand washing, and will ask staff to abide by rules for clothing/showering etc., we are unable to guarantee a virus-free school.

Controlling the Virus and Hygiene

- My child will have washed before arriving at school and will remove their clothes when they get home.
- My child will wear clean clothes every day.
- My child will bring an appropriate coat and sun hat for playing outside and for the weather conditions but nothing else, except medication (see below) – no books, no bags, no items from home except for a water bottle.
- I understand that my child will be using hand sanitiser gel (please see consent below) and will wash their hands frequently throughout the day.

Medication/Illness

- **I will not bring my child to the school if they have any symptoms of coronavirus or if anyone in the household has symptoms. I will isolate my child and the whole household for 14 days if this is the case and will inform the school immediately.**
- If my child has medication for asthma, allergies or other conditions, I will ensure that school has the correct medication.
- If I need to bring in medication for my child I will pre-agree it with school by phoning the office and following school procedures and guidance for delivering as directed by school staff.
- I understand that if my child becomes unwell during their time in the school, they will be immediately placed in isolation (in accordance with government guidance) and that I will be contacted and asked to collect them. If I can't be reached, the other contacts given will be called.

- I understand that if any children or staff in my child's 'pod' test positive for coronavirus, my child will also have to self-isolate for 14 days.
- I understand that if my child falls dangerously ill the staff will contact medical services.
- I understand that if my child has an accident (eg nose bleed, sickness), staff will wear appropriate PPE to administer the necessary first aid.

Provision

- I understand that should it become impossible for St Silas Primary Academy to remain open because of a COVID outbreak or staffing shortages then our school will cease with immediate effect and that this may be with very little notice.
- I understand my child will be given a school dinner unless I choose to send in a packed lunch but will send it in a disposable bag and not send a lunch box or other items into school with them, except for a bottle of water.
- I understand the children will not be bringing reading books or other items home with them.

Name of Parent/Carer (s): _____

Child: _____

Year Group: _____

I give consent for my child to use alcohol hand sanitiser. Yes/No
