## 1. Introduction

Under UK data protection law, individuals have a right to be informed about how our school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils at our school**.

We, St. Stephen's CE Primary School, Hall Lane, Willington, Co. Durham DL15 0QH, are the 'data controller' for the purposes of UK data protection law.

Our data protection officer is Deborah Wilson (see 'Contact us' below).

If we need to use your child's personal information for an unrelated purpose, we will notify you and explain the legal basis that allows us to do so.

Please note that we may process your child's personal information without your knowledge or consent in compliance with the above rules where this is required or permitted by law.

We are required to provide information about pupils to the Department for Education as part of statutory data collections such as the school census.

Some of this information is then stored in the [National Pupil Database](#) (NPD), which is owned and managed by the Department and provides evidence on school performance to inform research.

The database is held electronically so it can easily be turned into statistics. The information is securely collected from a range of sources including schools, local authorities and exam boards.

The Department for Education may share information from the NPD with third parties, such as other organisations which promote children's education or wellbeing in England. These third parties must agree to strict terms and conditions about how they will use the data.

For more information, see the Department's webpage on [how it collects and shares research data](#).

You can also [contact the Department for Education](#) with any further questions about the NPD.
