

	Civic Engagement	Arts and Culture	Nature, Outdoors and Adventure	Sport and Physical Activity	Developing Wider Life Skills
Autumn 1	• Fr Kevin lead us in worship reflecting on the many blessings we give thanks for at harvest time. • Year 6 were thrilled to welcome Shiza, our Mental Health Support Practitioner, who kindly accepted our invitation to share her experiences as a Muslim. • Food bank representative, Lisa, to deliver assembly on how the foodbank supports the community and to receive our generous donation provided by the pupils. • Police visitor to EYFS	• IRock and pop band sessions for selected children. Playing a variety of instruments, each group of children learns to play instruments as part of a band, encouraging collaboration and working as a team, all whilst levelling up their musical ability and developing a love of music. • Y2 visit to Durham Cathedral to enrich the children's understanding of local history, Christianity, and the significance of Durham Cathedral, while providing a memorable hands-on learning experience. • Year 2 Harvest Open Worship • Library visits each year group - Autumn • Reception Dedication Service	• Access to our on-site Forest school • Year 1 visit to Wharton Park! The children enjoyed exploring the outdoors and taking part in a range of exciting nature-based activities. • Harvest Wellbeing Hike Years 1-6 • EYFS Signs of Autumn walk	• Tag Rugby League • Year 5 Hand Ball Competition • EYFS Ready Set Go - physical development / mental well being programme • Year 2 Curling festival	• Bridging the Gap Youth Employability & Aspirations Programme. The programme helps children explore future career opportunities, develop important life and employability skills, and inspire them to think positively about their futures. Working with Building Self-Belief CIO (BSBCIO), Durham and Newcastle Universities, and a range of local employers, pupils will enjoy a variety of engaging and hands-on experiences that provide a real insight into the world of work. • Year 3 pedestrian training • Year 4 Bikeability • Space Explorers a unique opportunity for students to engage with STEM at Life, in school and online across the school year. • The Lesson In A Box - Nissan Way is an activity for Year 3 . This activity engages the youngest learners. The box introduces Nissan, the people who work there, the types of jobs they do and the values of the business. Children will learn about Japanese culture and two important words: Kaizen (continuous improvement) and Perseverance.
