**Records Retention Schedule
2025/2026**

This retention schedule contains recommended retention periods for the different record series created and maintained by the schools Data Protection Officer. This schedule refers to all information regardless of the media in which it is stored (if records are retained electronically any backup copies should be destroyed at the same time). Some of the retention periods are governed by statute. Others are guidelines following best practice. Every effort has been made to ensure that these retention periods are compliant with the requirements of the General Data Protection Regulations 2016. Except for those that are governed by statute, if record series are to be kept for longer or shorter periods than laid out in this document, the reasons for this need to be documented.

1 Child Protection

These retention periods should be used in conjunction with the document “Safeguarding Children and Safer Recruitment in Education” which can be downloaded from www.everychildmatters.gov.uk.

	Basic file description	Data Prot Issues	Statutory Provisions	Retention Period [operational]	Action at the end of the administrative life of the record	
1.1	Child Protection files	Yes	Education Act 2002, s175, related guidance “Safeguarding Children in Education”, September 2004	DOB + 25 years	SHRED	Child Protection information must be copied and sent under separate cover to new school/college whilst the child is still under 18 (i.e. the information does not need to be sent to a university for example) Where a child is removed from roll to be educated at home, the file should be copied to the Local Education Authority.
1.2	Allegation of a child protection nature against a member of staff, including where the allegation is unfounded	Yes	Employment Practices Code: Supplementary Guidance 2.13.1 (Records of Disciplinary and Grievance) Education Act 2002 guidance “Dealing with Allegations of Abuse against Teachers and Other Staff” November 2005	Until the person’s normal retirement age, or 10 years from the date of the allegation whichever is the longer		The following is an extract from “Safeguarding Children and Safer Recruitment in Education” p60 “Record Keeping 5.10 It is important that a clear and comprehensive summary of any allegations made, details of how the allegation was followed up and resolved, and a note of any action taken and decisions reached, is kept on a person’s confidential personnel file, and a copy provided to the person concerned. The purpose of the record is to enable accurate information to be given in response to any future request for a reference if the person has moved on. It will provide clarification in cases where a future CRB Disclosure reveals information from the police about an allegation that did not result in a criminal conviction. And it will help to prevent unnecessary reinvestigation if, as sometimes happens, an allegation re-surfaces after a period of time. The record should be retained at least until the person has reached normal retirement age or for a period of 10 years from the date of the allegation if that is longer.”
