

R.E. Newsletter; Autumn 2026

Do the little things well

At St Teresa's, we are always busy learning and having fun. We would like to share some of the things we do during our RE time, in Celebration of the Word, and how we share our faith through the Catholic life of our school.

The Feast of St. Teresa of Lisieux

This was a lovely day where the children brought their offering of a flower and did lots of little things well in the classroom.

We constantly see reminders of our school mission, but we know that the children make our feast extra special with their little ways.

CAFOD

Jubilee Assembly - during the assembly and workshops, children learned how CAFOD supports communities through clean water projects, education, health care and emergency aid. We discussed how little things like: donations, prayers and kindness can lead to powerful change.

Class-Led Celebration of the Word

Children have made a great planning and leading their own liturgies. They spend quality time in their classrooms reflecting on the Word of God in so many creative ways.

Catholic Social Teaching

Last year, we began the Catholic Cup. We are re-instating this in the Spring term. For example: Encouraging your children to do small acts of kindness out in the community, may show they are working for 'the common good'.

Virtues

We celebrate our trust virtues each week. Can your child remember what the main virtue is this week?

Giving Tree

Thank you so much for all your generous donations to the Giving Tree! We were inundated with gifts, and we were so pleased they were collected by Cash for Kids to help so many children!

Christmas Performances

The children made us so proud celebrating the true meaning of both Advent and Christmas with a mix of traditional and modern shows.

Some of our Year 4 children celebrated their First Reconciliation and are preparing for their First Holy Communion.

Please keep those children in your prayers.

Red Sky Foundation

Our clothes bin is always there to accept any donations of old clothes that you may have. The textiles group who own the bin give £200 per tonne to The Red Sky Foundation. Please feel free to fill it up!

Travelling Crib

We hope you all enjoyed the new Travelling Crib purchased this year. Our School Chaplains were very excited to be able to record the Nativity Story and have you share this at home.

Weekly Mass

Keep an eye out for our Thursday Masses at 9:30am. Getting together as a school for Mass is special. It's even more so when parishioners and parents can join us. Our children sing so beautifully!

Mini Vinnies Corner!

The Mini Vinnies are formed and raring to go! Made up of a core group of KS2 children, we also invite any child from KS2 to join the core group with any kindnesses they wish to carry out in our school community. They were able to create some cards that were delivered in local care homes. They were instrumental in helping

with the Giving Tree.

School Chaplains

Our School Chaplains have been so helpful during Celebration of the Words. They led some Advent Reflections very thoughtfully.

Stay and Pray!

Please look out for our Stay and Pray events that will be happening during Lent! We'd love to share a prayer with you.
