

Summer here we come!

This week it certainly feels like we are in the summer term! Although now that I have mentioned this glorious weather, I am now waiting for rain! This term, although short, is always one of our busiest. Year 6 completed their SAT's and displayed the greatest resilience. It was a pleasure to see how well prepared they were for the assessments and I would like to, once again, thank our staff team for preparing the children so well. Next term is another busy one, I am sure that it will be full of love, learning and laughter – as always!
