**Friday 8<sup>th</sup> May 2026**

We have had another wonderful and calm few weeks in school with lots of learning and progress made for our children. Year 6 will be putting this into practice next week as they sit their SATs, we know they will all try their very best and we wish them lots of luck.

With this in mind, please ensure children arrive to school promptly at **8.40am**. Children will not be able to enter the building through the Main Reception should they arrive late as we will be keeping noise to an absolute minimum.

### Learning News

- This week Year 2 have made their own clocks ready to learn all about telling the time. They are excited for next week's learning.
- Year 5 have started making their own toy with a mechanical system in DT, we are looking forward to seeing the finished results!

### Sacrament of Confirmation

Congratulations to Tonia, Daria, Sophia and Owen on making their Sacrament of Confirmation in church on Sunday.

### Invitation

Following the generous donations we receive from the Brick Project, we are hosting an open session on Wednesday 13<sup>th</sup> June at 2.45pm. Please come along and help yourself to any items you may need/find useful. There will also be lots of fruits and vegetables for parents/carers to take. This is in place of our usual coffee mornings and this will be the last one for this academic year. Donations will be gratefully received and will go back into the school's budget to support our children.
