**Friday 22nd May 2026**

On behalf of all staff in school, I would like to say how proud we are of Year 6 as they completed their Statutory Assessment last week. They were calm and confident in their approach and shone brightly – whatever the outcomes, they can reflect during half term on their wonderful progress and attitude.

Just a reminder that we break up today at 3.20pm for two weeks and return on Monday 8<sup>th</sup> June at 8.40am. We wish you a restful break and look forward to welcoming you back for our last, and very busy, final half term before we break up for Summer!

## Learning Highlights

We have had lots of wonderful learning and activities going on in school over the last two weeks, some of the highlights are:-

- EYFS had the paramedics come in to talk to them about how they help the community. They have also had a gardener in teaching them all about how to care for plants and the outdoors.
- Year 1 celebrated World Bee Day by making bee baths.
- Year 2 have been busy in English and they have learnt two texts, farmer duck and the day the crayons quit. They have written some excellent persuasive letters. We have some very angry crayons in Year 2! They did NOT enjoy being snapped in half!
- Year 3 have had a lovely trip out to Bowness on Windemere to support their Geography topic and luckily, the weather held out for them!
- Year 4 have been investigating sound through vibration and made some cup walkie talkies! Year 4 really enjoyed discovering how sound travels.
- Year 5 walked to church to participate in Mass. They have also written some super newspaper reports about a robbery at St Teresa's.
- Year 6 celebrated finishing their SATs with a very competitive water fight and a trip to Level. The children had a great, and very well-deserved time.
