Friday 26th June 2026

This week children have been working hard across all year groups and have coped amazingly in the hot weather. We have tried to keep classrooms as cool as possible so that children remain comfortable whilst learning. Thank you for keeping your children in school and a reminder to those with excellent attendance, we only have three weeks of term left to keep it up to be entered into the prize draw!

Learning Highlights

We have had lots of wonderful learning and activities going on in school since returning from half term some of the highlights are:-

- EYFS had a successful stay and play session for Fathers Day. The children have been exploring the season of summer, comparing summer and winter weather and clothing, before becoming little geographers by using maps, atlases, and globes to identify land, sea, and coastlines.
- Year 1 had a lovely trip out to Lowlands Farm and learnt all about the farm animals.
- Year 2 have been busy writing instructions and learning lots about WW2.
- Year 3 have had a busy two weeks swimming, thanks to parents for ensuring they have their swim kits each day.
- Year 4 have made some wonderful carnival headdresses during their DT lessons.
- Year 5 enjoyed a trip to Blackpool Zoo and have also had lots of super entries for St Teresa's Got Talent!
- Year 6 have had a visit to PNE to learn all about the history of the club.

Reminder

As we fast approach the end of another successful academic year, we would like to thank you for your continued support.

The final weeks of term remain an important time for learning, assessments, celebrations and preparing children for their next stage. We kindly ask for your support in ensuring that your child attends school every day and arrives on time, particularly on days where trips are taking place. Should your child arrive late, they may risk not being able to participate in their trip.

Good attendance and punctuality also help children make the most of these valuable learning opportunities, maintain routines and finish the year feeling confident and proud of their achievements.
