

Name	Charlotte Birch	
Governor Category	Foundation	
Date joining the LGB	December 2022	
Current Term of Office	December 2026	
Lead monitoring role	Curriculum	
Interests	I enjoy spending time outdoors and being active. My weekends are usually spent out on long walks with my Cockapoo, Nala, and with friends and family. I enjoy getting out in The Lake District at any opportunity! I also enjoy travelling, visiting interesting places across the globe and immersing myself in different cultures.	
Personal Statement	I have worked in Primary Education for 7 years and my current role is Year 6 teacher in a Catholic School within the Mater Ecclesiae Catholic Multi Academy Trust. I, therefore, know how important education is in terms of teaching and learning but also in developing the child as whole. I believe that every child is an individual and that they need plenty of opportunities to develop their own gifts and talents in a supportive environment.
