

Extra-Curricular Activities

Here are the extra-curricular activities and clubs St Thomas' provide for our pupils throughout the year.

These sessions are led by subject leaders or specialists to enable our children to develop their knowledge and skills from experts.

Our pupil Subject Ambassadors support within their subject specialism where possible.

Please note this timetable may change slightly throughout the year and additional activities and clubs may be added as they arise.

Monday	Tuesday	Wednesday	Thursday	Friday
--------	---------	-----------	----------	--------
