Welcome

Welcome to our information booklet for parent/carers. We aim to provide as much information as possible, but if there is anything else you need to know please contact us at school.

We aim to offer children stimulating, creative and fun opportunities where they can play with friends and make new friends in a comfortable and safe environment. A variety of activities are available, including, arts and crafts, games, sports, drama and music, reading, storytelling, quiet and imaginative play. We aim to provide a happy, caring and stimulating environment where children can;

-  Have fun
-  Develop their confidence and self esteem
-  Form positive relationships with peers and adults
-  Share, respect and learn from each other's cultures, experiences and traditions
-  Take part in both planned and spontaneous play activities.

Registration

Please complete a registration form to apply for a place at the club. The form alongside this document is a **contractual agreement** and must be read, fully completed and returned to school before we can offer your child a place. All applications will be considered, however as we are providing a Care service, we have no capacity to offer 1-1 support for children attending.

No child will be admitted to the Annex Club without a paid booking. Staffing structure is based on numbers of children attending for insurance purposes.

Booking and Fees

The booking system is now via **Arbor App**.

- **All reservations for Annex sessions must be paid in advance.**
- **The account will need to be topped up before any booking can be made.**
- **We accept childcare vouchers, but payments must be sent at the time of booking**
- **It is essential to keep the school office updated on any changes in circumstances.**
- **If voucher payments are not received on time a reminder message and / or statement will be issued and if payment is still not made the place at the club will be suspended until payment is made.**

If you experience any difficulties with payments, please do not hesitate to bring it to the attention of Mrs Rimmer or Mrs Young, in the school office to avoid any official action.

Non-Attendance/Absence

If a child is absent for more than one week because of sickness, then there will be no charge however all **other absences** will be charged at the **full rate**. Parents/guardians will be expected to inform the staff by telephone if their child is ill or will not be attending for some reason.

Arrival and leaving - Signing In & Out

Children **MUST** be **dropped off** in a morning and **collected in the evening** by an adult.

Staff take a register daily noting the time of arrival and pick up this will be essential with the new booking system as no child can arrive in the morning if they are not booked, they will not be insured.

Collection of children

Children should be collected by their known adults. If an alternative adult is picking up a child/children please notify the school office on the day. If parents/carers are consistently late collecting their children, they will be asked to pay to the next hourly rate. If a child is not collected by 5.45 p.m. this will incur a £5 penalty each time and will be added to the next monthly cost.

Staff

The children will be in the care of a Playleader and Playworkers, all who have been routinely checked and cleared prior to employment. Several of the staff have Food standards certificate; there are also a number of First Aiders

Behaviour Management

St Thomas More Annex Club operates a behaviour management policy that aims to reinforce positive behaviour policy. Unacceptable behaviour by any child will be brought to their attention and if it persists will be shared with parents. If the behaviour of a child is persistently unacceptable, the parent/carer will be invited to meet with the staff and discuss a behaviour plan.

By working in partnership, the club hopes any behavioural difficulties can be overcome without having to withdraw a child's place.

Equal opportunities

We recognise that children and families using the service, and the staff involved, come from many backgrounds with different experiences and needs. This statement seeks to ensure that no-one receives less favourable treatment because of race, ethnic origin, nationality, religion, cultural background, disability, gender, sexuality or circumstances of age. We aim to offer quality to all who use the service. It intends to promote positive images and attitudes towards differences. Wherever possible festivals and celebrations from around the world will be included in the planning of activities. Stereotypes that may arise will be confronted and amended positively to the best of our knowledge and ability. The individual needs of every child and family are of the utmost importance. They will be respected and attended to using the best of our abilities. The opinions and suggestions of children and their parents/carers are welcomed and appreciated and will be acted upon whenever and wherever this is possible.

Anti Bullying Policy

Bullying is unacceptable behaviour. The staff at St Thomas More are committed to creating a safe environment where children can play freely and without intimidation, where they can talk freely about their worries with the confidence that staff will listen, offer help, support or guidance. The school has an anti-bullying policy and this will apply to the Annex Club. When bullying does occur, we will work with children, staff and parents to help those being bullied and to work towards amending the behaviour of the perpetrators. In this way the club will make every effort to ensure the safety of the victim and support the improvement in the behaviour of the bully.

Medicines

If a child requires medicine during either of the sessions at the club, staff can administer once the parent has completed a parental agreement to administer prescribed medicines only.

Health and Safety

The fire drill is checked regularly. All accidents and incidents will be recorded, and a head count will be undertaken routinely.

Child Protection

School has a policy for Safeguarding Children, this policy will also apply to the Annex Club, a copy of which is available for your inspection. The club recognises the need for confidentiality, and this will be always observed, the exception being in cases involving child protection when relevant agencies will be notified.

Partnership with Parents

At St Thomas More Annex Club we value our relationship with parents/carers and the community. We aim to work in partnership to provide the best childcare possible by:

- Understanding the need for confidentiality.
- Welcoming ideas and suggestions.
- Ensuring parents/carers can feel they can discuss any aspect of our service and join in activities.
- Keeping parents/carers and the community informed of any special events or changes via letters, notices and staff-parent contact.
- Ensuring individual children's files are regularly updated.
- Ensuring consistence and reliability of staff and our service.
- Sharing and discussing children's achievements, friendships and experiences.
- Promoting an 'open door' approach encouraging good communication between staff, children and parents.

Complaints Procedure

If you are in anyway unhappy with the St Thomas More Annex Club and/or staff, please raise your concerns in the first instance, with a member of staff. We guarantee that we will treat your concerns with the respect and confidentiality they deserve. If following this, your complaint is not resolved to your satisfaction please refer to the school's complaints policy which will apply to the Annex club.

Admissions

Places are booked via Arbor and are issued on a first come, first served basis there will be no additional places, this is to ensure that the correct number of staff are on duty for the number of children attending. All registration forms must be returned to the office staff.

Contractual Statement

Once your child has been offered a place and is placed on the Annex register, it is deemed that all parties have read, understood and agreed to abide by all policies and procedures outlines.

Once the Parent Booklet has been read and the Registration form has been signed this forms a contract for your child to attend Annex Club.
