

# **Key Stage One Home Learning information**

## **January 8<sup>th</sup> zoom meeting**

- First of all, Happy New Year! Although it's not the start we wanted, we are looking forward to continuing our learning in a different way for the time being. We hope the children, and, yourselves are okay and please remember if you need anything at all, contact us on our emails, or ring the school office and we will get back to you as soon as possible.

- Attached to this email is an example of our weekly timetable. On there you will see when the live zoom lessons will be taking place, the outline of the day and activities that will be set for the children. This may change each week. This will be posted each week, on a Sunday, on **Google Classroom**.

# Example of timetable...

	8.40 - 9.00	9:00 - 9:30 am phonics groups 10:00 - 10:30am phonics groups (MON - THUS)	10:30 - 10:45	11:00 am - 11:30 am	12:00 - 1:00	1:1:30 pm	2:00-2:30	2.30-3.10

- Zoom links have been set up, these links are all re-occurring for each of the sessions to make it easier for parents to keep track of the meeting ID and passcodes. Please note children have been grouped for phonics and you will be notified with the correct zoom link for each specific group.

- Please ensure you all connected to Class Dojo and Google Classroom! Work will be uploaded on a Sunday evening for the week! 😊

ClassDojo

# Class Dojo

- We will continue to use Class Dojo to award the children dojo points for their learning.
- We will award dojos for participation in zoom sessions (a second member of staff will be part of the zoom and can award points)
- They will also be awarded for sharing work on our show and share zoom on Friday mornings.
- There are sometimes discrepancies between the dojos in school and those shown at home, we are not sure why this is at the moment.
- Parents can continue to use class dojo to message teachers but please allow time for us to message back.

# Emails

- Children can use their school emails to keep in touch with their friends – get in touch with us if you are struggling with this
- Parents can email teachers with any questions or concerns within school hours (please allow us time to get back to you)

# The platforms we will use for remote learning:

- Zoom live lessons
- Google Classroom
- White Rose Maths links to presentations
- Links to YouTube videos
- Links to Oak Academy

- All work will be posted on Google Classroom. We are asking that you only upload your children's work ONCE a day instead of individual tasks throughout the day to help us keep a track on children's work.
- Children will continue to receive Dojos for their learning achievements, these will be added at the end of each week. We will all be keeping a register of children who have attended Zoom lessons and uploaded working to ensure children receive the correct amount of Dojos.

- Please note that there will be NO phonics sessions on a Friday as this slot is going to be for a 'Show and Share' zoom call for each class. During this zoom meeting, children can show work they have completed and enjoy some social time with their friends.
- We have also decided to set a project relating to our topics for children to work either at home or in school. This will be posted on Google Classroom. This is to be completed over a number of week and again, can be shown during our 'Show and Share' zoom on a Friday after a couple of weeks.

- We would also like to make you aware that in addition to the work set Joe Wicks is continuing to post PE lessons on a Monday, Wednesday and Friday. RWI (the phonics scheme we use in school) are also posting daily phonics lessons. This schedule is attached on our Google Classroom.

- We would like to remind you that this is still school both in house and remotely. Work set is compulsory. We understand that parents are also working from home so please complete work when appropriate for you.
  
- Thank you 😊
