

LIGHTHOUSE PROJECT CHRISTMAS TOY APPEAL 2020

Dear Parents,

Can you help us support a local child in need this Christmas?

This year is one that has been exceptionally challenging for our community, but it is also a year where we have seen local people come together in amazing and different ways to help people who are in crisis. The Lighthouse Project has been working throughout the pandemic helping people in financial difficulty through our Foodbank, Lighthouse Pantry and Lighthouse Money debt advice services.

As we approach Christmas, we are aware that more families than ever are struggling financially and with that in mind we are launching our **Lighthouse Project Toy Appeal**.

Due to the level of need, we have extended our referral process this year to ensure that no child in Middleton will be without presents on Christmas morning and **WE NEED YOUR HELP** to make this happen.

HOW YOU CAN HELP

We are asking for donations of the following:

- **NEW** toys for children aged between 0 – 12 years
- Gift Vouchers or Toiletry Sets for 13-16 years
- Cash donations are also welcome to purchase gifts for any missing age groups

We are asking that all donations are brought into school on Wednesday 9th December.

In addition, should you require access to this service yourself, please contact the school office directly.

*All donations should be **UNWRAPPED** as we will be inviting parents in on an appointment basis to select toys for their children – we believe this is important as Parents know what their children's interests are and what they have asked Santa for this Christmas.*

***Thank you for your support
