

Dear parents/carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2nd February**. On this day, children are invited to come to school dressed in something linked to maths or even a Times Table Rockstar. To help raise money for the NSPCC, we are kindly asking for a **minimum donation of £2**, which can be brought into school on the day- **cash only please**.

## Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

**On average, a child contacts Childline every 25 seconds**

### Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive attitude towards it.

On this day we will be;

- taking on a Maths Challenge in our classes.
- working to solve exciting maths puzzles in our classes, against the clock with Buddy, the *Speak out. Stay safe* mascot.
- Learn how to **stay safe on line** and **Talk Pants**.
- Dress Up as a Times Table Rockstar or in any maths themed clothing; you can be as creative as you like.

We are looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at **St Thomas More** will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you for your continued support.

Mrs Cassidy (Maths Lead/Assistant Head)
