Dear Parents/Guardians

Relationship Education

We are delighted to announce that our school is participating in a brand new Relationship Education programme for Catholic primary schools, titled **Life to the Full**. You may hear your child coming home talking about this and we want to give you a brief overview of this new and ambitious programme.

As you may be aware, Relationship Education becomes statutory for all primary schools from the Summer Term 2021. The **Life to the Full** programme is based on 'A Model Catholic RSE Curriculum' by the Catholic Education Service which was highlighted as a work of good practice by the Department of Education. Therefore, we have confidence that the programme will be fit for purpose in supporting the growth and development of your child.

Life to the Full is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children and, indeed, you as parents. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

In addition there will be an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit:

Ten Ten have provided an online **Parent Consultation Tool**. This is a simple-to-follow, short online course to access use the login credentials and undertake the Parent Consultation course. We will close our consultation on Friday 29th January 2021.
