

UKS2 Parent's Information Meeting

REMOTE LEARNING

Purpose of the meeting:

- ▶ To inform parents how remote learning will work for children working from home, having to isolate or if a bubble has to close.
- ▶ To give parents the opportunity to ask any questions - please type into the chat or you can ask at the end.

Expectations

During this time of remote learning there is an expectation that ALL children engage in all activities set, where possible. A register will be taken during each zoom session.

We will be using a range of platforms in order to engage with children for remote learning.

We appreciate this may be hard due to parents working from home so please let us know if you are struggling and we will help where we can.

The platforms we will use for remote learning:

- ▶ Zoom
- ▶ Google Classroom
- ▶ Pre-recorded lessons/videos/PowerPoints
- ▶ Links to YouTube videos
- ▶ Links to Oak Academy

Google Classroom continued...

- ▶ As you can see on the timetable lots of the work, activities and links will be posted on Google Classroom
- ▶ We will be uploading the work for daily rather than weekly as we hope this will be easier for the children to access and for the staff to keep track of. (Work will be uploaded the night before)
- ▶ ALL members of the UKS2 team have access to all classes, therefore a member of staff, other than the class teacher, may comment on children's work.

Children **Do Not Need** to upload every piece of work onto Goggle Classroom. They will have opportunity to show and share some of their work on Friday Zoom.

- ▶ Children can use Google Classroom to communicate with each other and can comment politely on each other's work if they wish.

Pre-recorded lessons

- ▶ Some lessons the teachers will have pre-recorded in school, these will be uploaded onto Google Classroom on the appropriate day.
- ▶ If your child is unable to join the live Zoom lessons, they will be a recording of the lesson uploaded on Google Classroom for them to listen to at another time that day.
- ▶ Children should watch the videos and engage with any tasks set.

YouTube and Oak Academy

- ▶ There will be links to both YouTube and Oak Academy to support learning, these links will be posted on Google Classroom as well as on the weekly timetable.

Class Dojo

- ▶ We will continue to use Class Dojo to award the children dojo points for their learning.
- ▶ We will award dojos for participation in zoom sessions (a second member of staff will be part of the zoom and can award points)
- ▶ They can upload and share some work on Google Classroom but not all work as they will have opportunity to show and share on Friday Zoom.

- ▶ Parents can continue to use class dojo to message teachers but please allow time for us to message back.

Emails

- ▶ Children can use their school emails to keep in touch with their friends.
- ▶ Parents can email teachers with any questions or concerns within school hours (please allow us time to get back to you)
- ▶ sdodd@stthomasmorerc.rochdale.sch.uk - Miss Dodd
- ▶ dhughes@stthomasmorerc.rochdale.sch.uk - Miss Hughes
- ▶ bahickman@stthomasmorerc.rochdale.sch.uk - Mrs Hickman

Please bear with us....

- ▶ We ask you to remember that this is new to us too and expectations are different this time as opposed to the last school closure.
- ▶ We have been very fortunate not to have any bubble closures in UKS2 therefore this will be our first time teaching via zoom so again please bear with us while both ourselves and the children get used to this new way of learning.

Stay Safe Everyone

Thank You!
