

**St Thomas More RC Primary School**  
**Online Learning Platform – Google Classroom**

We now have Google Classroom for school, it is an online learning platform available to every child within school.

Google Classroom will be used to post ideas for learning. As Mrs Butterworth said in her latest newsletter, any work ideas or activities are not compulsory, but will keep your brains working and hopefully stop some of the boredom.

You will also be able to positively comment and ask your teacher questions if you need to.

Everyone has an account for google classroom – your log on details are:

Email format is [firstname.surname@stthomasmorec.co.uk](mailto:firstname.surname@stthomasmorec.co.uk)

(please note the email format is slightly different than the pupil emails, this is because Google Classroom is through our domain name from the website)

The password will be sent out in a separate text.

You will need to join your class by typing in a code. The codes for each class are:

Miss Young - **pedm3od**

Miss Banim - **fnl2zky**

Miss Barran - **ketijhg**

Mrs Weekes - **5fg7vl4**

Mrs Craven - **gunya4r**

Miss Dodd - **qclyejr**

Miss O'Donnell - **2qst434**

Miss McBride - **ck4fsfv**

Miss Hughes - **5qjd7ti**

Miss Jones - **izqdadd**

Mrs Hickman - **h76lsd7**

Miss Churchman - **wsprmxs**

Please follow the instructions of how to access Google Classroom and to join your class.

Please bear with us as this system is new to everyone but we will address any queries ASAP.

If you do have any queries please email Mrs Quigg – [aquigg@stthomasmorec.rochdale.sch.uk](mailto:aquigg@stthomasmorec.rochdale.sch.uk)

Thanks

Mrs Quigg
