Working at Home

Dear Parents,

Spellings

Each week in Key Stage 1 we share spellings or a spelling activity for the children to use at home. These can be a list of words we would like to children to practise spelling or an activity for them to complete. The words will usually be High Frequency words, common exception words or words with a spelling rule. Although the children are not tested on these words in school we do play games/activities with them so any practise you can do at home would be beneficial.

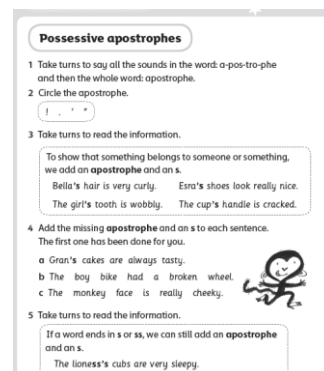

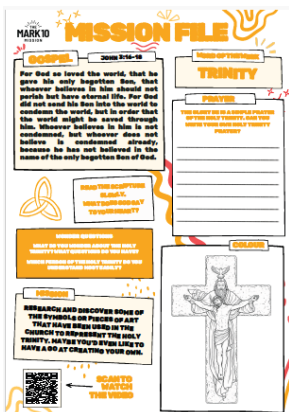

The spellings will be shared via email as well as the Class Dojo story. If you would like a paper copy please let us know.

Mission File

Each week we will also share the Mark Ten Mission activity sheet, this is an activity sheet relating to that week's gospel. Again we will share this via email and the Class Dojo story and if you would like a paper copy let us know. These do not need printing off or returning to school but are just a nice way for you to share the gospel at home with your children.

Times Table Rockstars (TTRS) and Numbots

Your child's Times Table Rockstars/Numbots log in has been stuck into the front of their reading record. This is the same log in for both. Numbots is great for practising number bonds and facts and TTTS is great for beginning to practise times tables. Allow children to log in as and when they can to practise their maths skills at home.

Reading Books

A separate letter has been sent about reading books, please hear your child read/read with them as much as you can at home. Ideally 15-20 minutes each night or as much time as you can spare.

Phonics

From time to time we may send home some QR codes for children to access online phonics videos.

Apart from the above, we do not set any other homework.

Thank you for your support

Mrs Craven and the KS1 Team
