

MELLORS BIG RED BUS NURSERY CLASS

Next week we have a visit from Mellor's Big Red Bus. This is a traditional double-decker London bus converted into a fantastic mobile catering facility to give pupils an interesting and different dining experience. This will be parked on our playground for 3 days.

The Nursery will be going onto the bus to have a look round and eat their lunch on board.

Tuesday 14th January 11.30am – 12.00pm

For the three children that leave after the morning session if you wish your child to be included please provide a packed lunch that day and collect at 12pm.

Otherwise they can be collected at 11.30am on 14th January.

All children will be accompanied by an adult at all times.

THE MELLORS BIG RED BUS IS COMING SOON

Our traditional double-decker London bus has been converted into a fantastic mobile catering facility to give pupils an interesting and different dining experience.

The bus can cater for 32 customers at a time, with a dining area on the top deck and a serving hatch on the bottom deck with outside seating.

During the Mellors Big Red Bus visit our bus driver and food server extraordinaire will not only serve delicious healthy lunches to each and every visitor but also teach the pupils all about healthy food and nutrition.

Meet Carol
our bus driver!
