

Mr Adrian Doyle

PARENT GOVERNOR

I was extremely pleased to be elected to be a parent governor for St Ursula's Catholic School and I hope to be able to make a positive contribution to the school community.

I have two son's in KS2 and twin babies who will be joining the school in a few years' time. My wife is primary school teacher who has worked in the junior school and my eldest son lives in Ireland.

I come from a strong Catholic background, having attended Christian Brothers primary and secondary schools in Ireland.

For the past ten years I have worked as an emergency gas engineer, as well as running my own gas company. I am also a fully qualified carpenter and joiner, which was my trade after leaving school until I moved to London. I have also had some experience teaching woodwork to teenagers from disadvantaged backgrounds.

I am very passionate about the mental and physical well-being of children. I believe they need to learn in a safe and happy environment in order to achieve their full potential.
