

Mr Andrew Shaw

FOUNDATION GOVERNOR

I am happy to have been appointed as a Foundation Governor for the newly combined St. Ursula's Catholic Primary School. I am very pleased to be working as part of an institution within a Catholic community.

I have been a teacher myself for 10 years in both Dagenham and more recently in Woodford Green. I have experience both as a classroom practitioner as well as a leader of my own department. I do hope my insight and experience can contribute to what I see as an already outstanding school.

I have joined the Curriculum Committee, where we all feel I can contribute most. However, I hope to foster other links with the school where my skills are useful.

Having two young boys myself, as well as teaching for the last decade, I passionately understand the importance of education from a young age and intend to support all staff in continuing their outstanding educational delivery within our school.
