

Pass the Hoop

Communication Activity

- 1 Split the class into two teams.
- 2 Tell each team to stand in a circle and hold hands.
- 3 Put a hoop over one person's arm in each team before they link hands.
- 4 Explain that the teams will race by moving the hoop the whole way round the circle and back to the start without breaking hands.
- 5 The children will need to try and move the hoop using their body while also trying to climb through the hoop to pass it on to the next person in the circle.
- 6 The first team that manages to get their hoop round the circle and back to the start, wins.
