ST. URSULA'S CATHOLIC PRIMARY SCHOOL

ADMISSIONS CRITERIA 2025-2026

"With God at the heart of our St Ursula's family, we welcome all as we learn and grow together"

Autumn 2024

ST URSULA'S CATHOLIC PRIMARY SCHOOL

ADMISSION POLICY 2025 - 2026

The Havering Deanery of Catholic Schools were founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will always be given to Catholic children in accordance with the oversubscription criteria listed below. The schools are conducted by its governing bodies as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As Catholic schools, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents (defined in note 8) will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admission authority and has responsibility for admissions. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number to the reception year in the school year which begins in September 2025.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with a Statement of Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with a Statement of Special Educational Needs or Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Baptised Catholic looked after and previously looked after children. (see notes 2&3)

2. Baptised Catholic Children who are resident in the parish. (see notes 3,4&9)
3. Other Baptised Catholic children. (see note 3&4)
4. Other looked after and previously looked after children. (see note 2)
5. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
6. Christian children of other denominations, whose applications is supported by a minister of religion (see note 6).
7. Any other children.

Within each of the categories listed above, the following provisions will be applied.

- (i) The attendance of a 'brother or sister' at the school at the time of enrolment will increase the priority of an application within each category. (see note 7).
- (ii) Priority after (i) above will be given in each of the oversubscription criteria to children of staff (specifically teachers) in either or both of the following circumstances.
 - a. where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or
 - b. the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage.

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school using the local authority's computerised measuring system.

In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a draw and the required number of names will be drawn out. Where more applications are received than places available under any of the oversubscription criteria listed above places will be offered to those living nearest to the school.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in

which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3, 5 or 6.

The school Supplementary Information Form must be submitted by the 15th January (or the working day before if the 15th January falls on a weekend), direct to the school address by 3pm. It is expected that all additional documents are submitted with the Supplementary Information Form by the same date.

You will be advised of the outcome of your application on 16th April or the next working day if you completed a paper application, (if applicable), by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed, and advised of your right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3, 5 or 6, and will be placed in category 7.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents, in agreement with the school, may request to defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year, but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. Again, in agreement with the school, a child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children Outside their Normal Age Group

A request may be made to the school for a child to be admitted outside of their normal age group, for example, if the child has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the Admissions Manager, London Borough of Havering, Town Hall, Romford RM1 at the same time as the admission application is made. The Admissions Manager will advise the schools governing body who will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head

teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list for 12 months. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

Admission of Service or Crown Servant Children

Admission authorities must not refuse to process an application solely because the family do not yet have an intended address and admissions authorities must:

- a) allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date.
- b) use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. Admission authorities **must** use a Unit or quartering address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.
- c) **not** reserve blocks of places for these children.
- d) ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children.
Arrangements **must** be appropriate for the area and be described in the local authority's composite prospectus.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made via the London Borough of Havering website www.havering.gov.uk/admissions/inyear

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number.

Nursery (only for St Ursula's Primary)

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. A supplementary information form must be submitted by the deadline stipulated. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The governing body reserves the right to withdraw the offer of a place or, where the child is already attending the school the place itself, where it is satisfied that the offer or the place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school. A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order. Included in this definition are those children who appear (to the governing body) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.
3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
7. 'brother or sister' includes:
 - (i) all natural brothers and sisters, half brothers and sisters, adopted brothers and sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address, and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the child who is the subject of the application.
8. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child and any person who has care of a child.
9. For the purposes of this policy, parish boundaries are as shown on maps found at: <https://st-josephs-upminster.net/wp-content/uploads/2013/11/Havering-Deanery.pdf> and will be applied to the admission arrangements for:

La Salette – Our Lady of La Salette

St Joseph's – St Joseph's or English Martyrs

St Mary's – St Mary, Mother of God

St Peter's – St Edward the Confessor

St Patrick's – Corpus Christi
