Dear Parents & Carers,

With the wonderful news that ALL pupils will be returning on the 8th March, I would like to thank parents and carers for their support with home learning during the last two months. The work that has been uploaded to Google Classroom has been fantastic. I know that there might be some concerns about missed learning. I want to reassure parents that our pupils made tremendous progress during the Autumn term and I am confident that this will happen again when classes fully reopen.

The school will continue to follow the plans that were successfully used in the Autumn term. These follow the Department for Education control measures and helped us to minimise the number of bubbles that we had to close from September to December.

Information regarding our reopening on 8th March was shared via Schoolcomms on 23rd February and can be viewed by clicking the following link:
<https://stursulascatholicprimary.co.uk/school-re-opening-8th-march> .

I ask all parents and carers to continue to work with the school, especially at the start and end of the school day. Please follow social distancing guidelines and be prepared for drop-offs and collections to take slightly longer than usual. We are regularly reviewing our school operations and we will keep parents/carers fully informed of any changes. For now, please follow social distancing and remember to wear face coverings while on our school site. Please see drop-off and collection times below.
