Havering Primary Futures 2024-25 at St Ursula's

AccessHE will be hosting Havering Primary Futures for our Year 6 Pupils. Over the five-week programme, pupils will learn about Higher Education pathways and careers, hearing from local Higher Education ambassadors. The programme will also talk about resilience and how pupils can use it to help them at school, and to make decisions when faced with a problem.

We are looking forward to working with AccessHE and hope it will equip our pupils with skills to help them as they move into secondary school.
