Reception

- Next week we will be learning about Baptism in R.E. If your child has been baptised, we would be grateful if you could send in any pictures from your child's Baptism if you are able to. These can be emailed directly to the school, marked for the attention of your child's teacher or can be sent into school on Monday. We promise to take care of them and will return them before the half term holiday.
- Next week, we are learning about Harvest and different fruits and vegetables. We are also looking at how bread is made. We are asking if parents would pay £1 via School Comms so that we could buy a range of fruits and vegetables that children may not have tried before. We will hold a tasting afternoon next week.
- Please keep an eye out for any items that do not belong to your child such as school jumpers, PE jumpers or toys etc and return to the school as soon as possible so that we may return them to the correct person. Thank you.

- Children are going to be learning about their home address and so we would like to help them to make the connection by having a picture of your front door. Please can you email it into the school office marked for the attention of St. Joseph’s.
- Reminder: children in KS1 & KS2 need to wear their PE kit on a Thursday for their St. Joseph’s PE session as well as wearing it on their class PE day(s).
