St Ursula's Catholic Primary School

Acceptable Use Policy for pupils

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These technologies are powerful tools, which open up new opportunities for everyone. These technologies can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. Young people should have an entitlement to safe internet access at all times.

The school will try to ensure that *pupils* will have good access to digital technologies to enhance their learning and will, in return, expect the *pupils* to agree to be responsible users.

Acceptable Use Policy Agreement

- I understand that the school will monitor my use of the systems and digital devices.

- I will keep my username and password safe and secure.

- I will always seek permission before downloading material from the internet or using material I have brought into school because I understand the risks from virus infections

- I know I need permission to take someone's photograph or video them.

- I will be polite and responsible when I communicate with others when sending messages on the MLE.

- I will inform an adult if I see or receive any unpleasant material or messages.

- I will be aware of "stranger danger", when I am communicating on-line.

- I will not disclose or share personal information about myself or others when online.

- I will respect others' work.

- I will report any damage or faults involving equipment or software to my teacher.

- When I am using the internet to find information, I should take care to check that the information that I access is accurate.
