

Last Friday Bailey, McKenna and I represented Wear Valley in the County Finals of the athletics. When we arrived we were extremely excited to get the day up and running as soon as we could. James, the Wear Valley leader, gave us a green bib to show which team we belonged to, so we didn't get mixed up with the other teams. The first events started at 10 o'clock with the girls track and the boys' field events. It was an amazing experience as everyone there was from different schools in our area. Bailey took part in the 60m sprint, made the final and placed 2<sup>nd</sup> overall, he also ran in the 4x100m relay. I competed in the 80m sprint, also made the final then placed 2<sup>nd</sup> altogether; I also took part in the 4x100m relay and made the final to then finish 2<sup>nd</sup>. McKenna did the triple jump and came 3<sup>rd</sup> in that. At the end of the day we all sat down to listen to the results, it was very tense. Wear Valley won overall in the boys' category. Then lead the whole team to victory - we were thrilled!
