

# HEADTEACHER'S WEEKLY LETTER

Autumn 2

## LOOKING AFTER OUR COMMUNITY

This week, a group of enthusiastic KS3 pupils gave up part of their lunchtimes to take part in litter picking around the school grounds. Armed with grabbers, they worked together to collect rubbish and make our site a cleaner, safer and more welcoming place for everyone.

The pupils showed real pride in their school community, setting an excellent example of responsibility and teamwork.

Their efforts remind us all how small actions can make a big difference. A huge thank you to our volunteers for their hard work!

## MEET THE TEACHER

Each week, we're pleased to introduce different members of our school community to you.

This week, to start us off, is Miss Careless, our Head of Art:

**What subject do you teach?** I teach Art and Photography.

**What inspired you to become a teacher?** My own Art teacher inspired me to become a teacher. Her lessons were super fun and exciting!

**What's a fun fact about you that pupils might not know?**

I attended dance classes from the age of 10-18 years old!

**What do you like to do when you're not teaching?**

When I'm not teaching you will find me spending time with my family, especially my Niece and Nephew. I love to travel and explore new places. My favourite places have been along Route 66 which I completed in the summer of 2024!

**Do you have any hobbies?**

I love to swim, run and read. I made my way through many books during the six week holidays, especially during my holiday to Lanzarote.

**Favourite books/movies?** My favourite movie has to be The Devil Wears Prada...I've even seen it on the West End

## FAITH FOCUS

"For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life."  
— John 3:16

In Sunday's Gospel (John 3:13-17) we're reminded of the depth of God's love—a love so great that He gave His only Son so that we might have life. As a school community, we strive to reflect that love in how we teach, support, and care for each child.

## MEET THE TUTOR EVENTS

This week we hosted our very first Meet the Tutor events. It was a real pleasure to welcome so many of our families into school to connect with their child's tutor. We know how important the relationship between home and school is, and events like this are a valuable opportunity to strengthen that partnership.

Your child's tutor is your first point of contact for any questions or concerns, as they see your child every day and are well-placed to support their wellbeing and progress. If you would prefer to speak with a Head of House, you can find their contact details on our school website.

It has been wonderful to visit lots of classrooms this week and to see our pupils engaging so positively with their learning. From the enthusiasm shown in lessons to the kindness demonstrated around the school building, our pupils are already setting the tone for a successful term.

Thank you to all members of our community who attended our Meet the Tutor events this week. We hope you found the experience valuable and that it gave you the opportunity to get to know your child's tutor more closely. Strengthening these partnerships between home and school is so important, and we look forward to creating further opportunities for families to visit and engage with school life throughout the year.
