Seven Stories Young Person Council

Dear Families,

We are pleased to share an exciting opportunity for our Year 10 pupils to become involved in a unique initiative in partnership with Seven Stories – The National Centre for Children’s Books. Seven Stories is forming a Young Persons Council made up of pupils from across the North East. This Council will work closely with the Seven Stories Management Team to help shape the future of the organization, contribute ideas, and represent the voices of young people in the region. As part of this initiative, our Trust has been invited to nominate two pupils to join the Council. This is a fantastic chance for pupils to:

- Develop leadership and communication skills
- Gain experience working with a nationally recognized organization
- Build confidence and a sense of civic engagement

How Pupils Can Apply

Pupils will be invited to complete an application form. These can be collected from Ms Pickering in the English Department. A panel within the Trust will review the applications and shortlist candidates for an interview. The final selection will be made in collaboration with representatives from Seven Stories.

We believe this is a valuable opportunity for personal growth and community involvement, and we encourage all interested students to apply.

If you have any questions, please do not hesitate to contact us using the email address below.

Warm regards,

Liz Boylan
