Update for Families

Dear Families,

Thank you for your support and understanding today, in what has been an incredibly difficult time for our school community. The respectful and responsible conduct from all our pupils should be commended.

I wanted to update you on arrangements for tomorrow and support available going forward. School will be open on Friday 19 December, to provide a safe and supportive space where pupils and staff can access counselling and support. There will also be opportunities for quiet reflection and collective prayer.

School will close at the slightly earlier time of 11.00 am, however, the counselling team will be available for the whole day, should any pupil require this support.

I am mindful that the school will be going into a natural break and wanted to share with you a counselling service where further support is available over the holidays.

I am deeply grateful for your continued support. Please join us in sending heartfelt prayers to the student's family and friends. Can I take this opportunity to remind you of the family's request to respect their privacy at this time and avoid speculation on social media.

God bless,
Mrs Lennox
