

ST WILFRID'S RC COLLEGE

WELCOME TO YEAR 11

Bishop Chadwick
Catholic Education Trust

HEADTEACHER'S WELCOME

Dear Families,

I hope that your child has settled well into the new academic year and has enjoyed getting to know their teachers and classmates. September brings a fresh start for us all, and I am excited about the opportunities and experiences that lie ahead for our school community.

Having worked in education for many years, I know that the strongest schools are built on positive relationships, high expectations, and a shared commitment to helping every young person succeed. At St Wilfrid's, we already have much to be proud of, and I look forward to working closely with pupils, staff, families, governors, and our wider community as we continue to build on these strengths and make our school even better.

This year, we will place a particular emphasis on developing our learning habits, helping pupils to grow as confident, resilient, and independent learners who are ready to embrace every opportunity available to them. By working together and supporting one another, I am confident that we can ensure every child is challenged, nurtured, and empowered to fulfil their God-given potential.

Thank you for your continued support. I wish your child every success and happiness in the year ahead at St Wilfrid's RC College.

Warm wishes,
Mr G Sanderson
Headteacher

Our Shared Mission

We strive for every pupil to realise their God-given potential, become the best version of themselves, and leave us equipped with the knowledge, character and skills needed to thrive in society.

EXCELLENTIA PER FIDEM, PER SCIENTIAM, PER ADIUVATUM

100% HOMEWORK

At St Wilfrid's, we believe that success comes through consistent effort and the development of positive Learning Habits. One of our Learning Habits is for pupils to complete all homework.

Morning Meetings

To support the completion of homework, pupils participate in daily Morning Meetings with their tutors where they complete their 100% work.

All pupils are provided with a 100% Book, which contains the key knowledge, vocabulary and skills they need to learn in each subject.

The purpose of the 100% Book is to utilise retrieval practice to strengthen learning and improve long-term memory. Retrieval practice is most effective when it is repeated regularly. For this reason, 100% work is completed daily as homework by all pupils and is set during Morning Meeting. Pupils should use the Look, Cover, Write, Check, Respond method to learn the content from the key skills, key knowledge and key vocabulary sections of the designated 100% sheet.

Daily Retrieval

To maximise the benefits of retrieval practice, pupils will be quizzed regularly on the content of their 100% Book during Morning Meeting, as well as through retrieval activities within lessons.

Expectations

All pupils will complete their 100% work every day. This will be recorded in a green exercise book to encourage pride in presentation and learning.

Form tutors will check, sign and date completed work during Morning Meeting.

The 100% Book will also be used within lessons wherever appropriate to support learning and strengthen long-term recall.

Pupils who do not complete their 100% work correctly will be required to make corrections. Where necessary, additional support and intervention will be provided to ensure all pupils develop effective study habits.

How can I support my Child?

Each booklet includes a homework schedule at the front, outlining when pupils are expected to complete and review their learning. Please review the schedule with your child to ensure that they are prepared for Morning Meeting the next day.

The 100% Booklet is considered a piece of core school equipment, alongside items such as pens and exercise books. Pupils are expected to have their booklet with them at all times and bring it to school every day. By equipping your child with an appropriately sized bag, you are helping to ensure that they are equipped for school.

As the booklets are essential learning resources, any lost booklet will need to be replaced at a cost of £1.50.

Further information including the 100% book for each term, can be found on our website. Use the QR code below to take you directly to our homework page:

DAILY INTERVENTION TIME

All Year 11s have daily intervention in maths, English, RE or science.

These short, focused sessions are designed to help your child close gaps in learning, improve their confidence and give them the best chance of achieving.

Your child will change intervention group and/ or subject each cycle depending on their termly data.

Over the course of KS4 each pupil will receive at least one cycle of timetabled intervention in each core subject area.

Key Stage 4 pupils still have assemblies and personal development opportunities during this time.

Example schedule:

Monday	Tuesday	Wednesday	Thursday	Friday
Intervention	Intervention	Intervention	PD Day	Assembly

PRELIMINARY EXAMINATIONS

All Year 11 pupils will sit mock examinations (referred to as Prelims) at two key point over the academic year:

Prelim Window 1: Week commencing 19th October and 2nd November

Prelim Window 2: Week commencing 8th February and 22nd February

Pupils will receive a bespoke revision planner in preparation for their prelims alongside sessions dedicated to well-being and effective revision.

Year 11's enrichment and intervention timetable (including the Year 11 revision timetable) will be shared week commencing 14th September via the school website.

EXTERNAL EXAMINATIONS

Information relating to external examinations, including timetables and policies, will be shared on our school website.

Scan the QR code to take you to the Examinations page of our website.

Dates for all examinations will be shared at the earliest opportunity.

ATTENDANCE

Schools must take an attendance register twice a day, which is a legal document. Any absences will be recorded with a specific code depending on the type of absence. Absences fall into two main categories:

- Authorised – those which schools can give you permission for
- Unauthorised – those which they will not

Examples of absences which the school is unlikely to authorise can include:

- Sickness of a parent, or other family member
- Inadequate clothing for school
- Child being used as a carer
- Problems with transport
- Non-urgent medical treatment
- School refusal or truancy
- Days off for birthdays, shopping trips
- Family holiday

If your child needs a leave of absence you must ask for permission in advance. The headteacher can only approve the absence if he/she views them to be exceptional reasons.

As set down by the Department for Education, Penalty Notices can be issued for unauthorised absence.

Penalty Notices are issued when a pupil has had 10 or more half-day sessions (equivalent to five school days) of unauthorised absence, in the last 10 school week period.

Unauthorised absence is absence not approved by the school and will be coded on your child's attendance record.

Penalty notices are intended to provide an early intervention to deter patterns of unauthorised absence developing. Parents and pupils are supported both at school and at Local Authority level to overcome irregular attendance and any of the sanctions available are only for use when there is no parental co-operation or it is not sufficient to resolve the difficulties.
