Dear Parents, Carers and Families,

Keeping Children Safe Online - www.commonsensemedia.org

The internet has now become as much a part of our children's world as the playground. New apps, games, downloads and streaming services are appearing all the time and children are often way ahead of us in exploring and using them. If you are not sure about something that your child is accessing, playing or listening to, help is at hand! The site above has a really useful feature:- you can search for any media - app, game, song, service - and it will give you a comprehensive review of what it is, what sort of content it has and what age it is suitable for. There are reviews written by other parents for each one as well. There are also other tabs giving advice to families on all aspects of online safety. Worth a look. Our advice for children who come across things online that make them uncomfortable: STOP, BLOCK, TELL

Have a good (and safe) weekend with your families. Roy Gunning

Lunchtime

LUNCHTIME AWARD

The lunchtime award is presented this week to Chloe Akeroyd for being a good helper

Lunchtime

PEKITS

Please can parents make sure that all pupils have their PE kits in school on MONDAY MORNING for the week ahead. We do not have the resources to phone home for every child who forgets their kit.

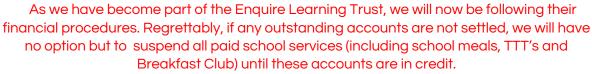

Learning about Light and Dark in Early Years

Please can we ask all the Super Squirrel children and Wise Owls to bring a candle to school next week? We will be using them to count, order and sort in our maths lessons. (No glass containers - thank you!)

SCHOOL MONIES

Please can we ask you all to check your parent pay accounts regularly for any outstanding monies.

Thank you for your understanding and cooperation.
