## Octoberfest

The first Sunday of October is now well established as Octoberfest

Run day. This year entries were good in all age categories with around 100 participants. A challenging, mixed terrain course was marked on very wet CCW grounds following heavy rain in the morning. Despite the rain runners were not put off from having a great afternoon, all receiving a medal for participating.

Thank you to the Whitby Rotary Club for their continued support to ensure the tradition continues.

## Cross Country

Across the four age categories there were over 400 competitors taking part in this years primary cross country held at CCW Scoresby site from fourteen schools. Families also turned out in force to support runners which always adds to the welcome encouragements needs for such events. The event is totally inclusive with entries open to unlimited numbers, lending itself well to whole class or year group involvement. Huge thank you to everyone for supporting the event and turning out in such numbers. The next round is open invite so please send as many talented runners as possible.
