**Friday Mile** – thank you to everyone who joined us at 8.30am this morning to take part in our Friday family mile. It was a great success and many parents and children said how much they enjoyed it. This will take place every Friday- weather permitting!

**Newsletters-from September** - we will no longer be sending home weekly paper newsletters. Newsletters will be posted on the school website, notice boards and will be

broad and rich curriculum.*

emailed out to parents requesting them. If you are happy to receive the newsletter by email please return the attached slip. Please be aware that sometimes our newsletters contain marketing information such as: notices about the Parish Fair; Information about the new holiday and aftercare club; events at the high school etc.

**Congratulations-** to Mr Evans and his wife who gave birth to their first child, a beautiful baby boy earlier in the week.

**Car Parking on Yellow Lines-** we have noticed an increase in some parents illegally parking on the yellow lines outside school- particularly on Crescent Ave - before and after school. **This is putting pupil's lives at risk.** If this persists, we will have no alternative but to forward registration details to the police/Parking Wardens!

**Sacramental Programme 2018-19-** Congratulations to all our children who received their First Holy Communion in church over the last 2 weeks. They all looked wonderful and behaved impeccably on the day.

### **A message from the Head of Year 7 at St Gabriel's High School**

**about our Year 6 children** - Could I just pass on how fantastic your students were yesterday and today. They are going to make an incredible year group. Thanks Mrs Bate Head of Year 7.

**Fundraising and Parish Fair-** thank you for all your donations towards the Parish Fair and St Anne's Hospice- both very worthy causes.

**Remodelling of the old Reception Classes and New Car Park.** We have now had our funding request for both of these projects agreed. The Reception classes will be remodelled during the summer holiday. Currently, we are waiting for planning approval to move the school car park onto the old nursery site. We are hoping that this work will start early in September. Once this is complete, we are planning to create additional play space at the side and front of the school. Over the last 7 years we have successfully submitted funding bids totalling nearly 2 million pounds to substantially remodel the school.
