

# Child friendly Child Protection and Safeguarding Policy

## What is Child Protection about?

All adults around you think your health, safety and welfare are very important. In our school we respect you and help to protect your rights. We do our best to help you make good educational progress. We teach you how to recognise the risks in different situations and how to protect yourself and stay safe.

## What will we do?

We will always try to provide a safe environment for you to learn.

We want to make sure that you and all your friends remain safe, at home as well as school.

We believe it is important that you know where to get help from if you are worried or unhappy about something.

If you need to talk - we will ALWAYS listen!

You can talk to any adult in school.

You have the right to feel safe and happy.

Don't keep sad feelings to yourself - tell someone!

Don't keep a secret, share how you are feeling and we will help.

## Don't keep it a secret if someone is:

- Bullying you
- Saying funny things to you that you do not like or which upset you
  - Touching you
  - Hitting you or hurting you
  - Taking your things
- Sending unkind messages on the internet, a game or to your phone
