

FAMILY LAW ADVICE

FAMILY RIGHTS GROUP

Family Rights Group promotes policies and practices that keep children safe within their family and strengthen the family and community networks of those children who cannot live at home.

We campaign for families to have their voice heard, be treated fairly and get help early to prevent problems escalating.

We are a charity that advises parents, grandparents, relatives and friends about their rights and options when social workers or courts make decisions about their children's welfare. We work with parents whose children are in need, at risk or are in the care system and with wider family members and friends who are raising children (known as kinship carers).
