Wednesday 19 th September	
Thursday 20 th September	
Friday 21 st September	Class 12 Assembly

Asthma inhalers

If your child has asthma and is new to the school please could you send in an asthma inhaler with your child's name on it to the school office. We will contact any parents where their child's inhaler may be close to their expiry date. There may be occasions where your child attends Breakfast Club, After School club and / or sports clubs. To prevent any medical emergency whilst not in the classroom I would like to ask that you bring in an extra inhaler which will be put in a named bag and taken with the child to whichever activity they may be taking part in.

Website

We are in the process of updating our website which will include photographs of the school and children. If you do not wish your child to appear on the website, please contact the office as soon as possible.

Data Collection sheets

Over the next week we are hoping to send out the data collection sheets. Please check the information carefully and return it to your class teacher with any amendments. It is important that we have correct information regarding allergies, medical conditions and contact telephone numbers / email addresses for example.

School Grounds

I would like to take this opportunity to thank the parents that have commented on how nice the school grounds are looking.

School Fund

Thank you to the parents that have made a contribution to our school fund.

Thank you for your continued support.

Mr J. O'Brien
Headteacher
