Dear Parent / Guardian

Messages to Santa

It is that time of year again! We are accepting messages from "Santa" which will be read to the children in our Golden Assembly on 18th December.

In previous years this has been a huge success. As we tend to have quite a lot of messages, some of these may be read to the children in their classes or by Santa himself when he visits on party day.

An example of a message could be "you have been very good helping mummy and daddy and looking after your little sister. I believe you would like a bike for Christmas. I will see what I can do."

If you would like to send in a message for your child please send it into the office or email it to us at stannesrc.admin@trafford.gov.uk

This isn't compulsory and is a bit of fun. All children will receive a general message directed to the whole class.

Thank you for your continued support.
