

Spellings

Please [click here](#) for information about the spelling curriculum across the school.

Children take home weekly spellings on Friday which they should learn for a test the following Friday. They will be given their spelling test in the form of a dictation which will be read out in a similar style to the example below:

‘The word is: **glass**. Mum picked up the **glass** and poured water into it. The word is **glass**.’

In addition, you can access the statutory word lists which children should know by the end of each year, by clicking on the links below:
