

Jesus Calm The Storm

Mark chapter 4 verses 35-41

How would I have felt if I was a disciple inside the boat? Doodle your facial expressions or create your own word art to show your feelings:

When I'm scared, who do I ask for help? What helps me feel better?

What is easy about trusting God when times are tough? What's difficult about it?

Pray: God help me to be brave and trust in You, so that I can see amazing things happen!
Amen.
