2nd July 2021

Dear parents/guardians,

What a wonderful week we have had in school! Luckily the weather has been good, so we managed both Fun Days and two Sports Days. As far as I could tell, the children and staff had a great time on all of the days! The teachers will be uploading photos to their class TEAMS page. We have another extremely busy week, especially for our Year 6 classes.

Year 6 Leavers' Play

There will be four performances:

Wednesday 7th July at 10am

Wednesday 7th July at 1:30pm

Friday 9th July at 10am

Friday 9th July at 1:30pm

Unfortunately, due to the current restrictions we can only allow 2 adults per child to attend the performances. We would love to welcome everyone but this is not possible, we are sorry that some members of your families will be disappointed.

Currently we have a few spaces still available for both Wednesday performances and for Friday morning.

Nursery Graduation

To celebrate the fantastic achievements of our Nursery children this year, we will be posting some videos and a photo slideshow on TEAMS today. You can access these by using your child's email address.

Stretford Street Art Club

A parent has asked me to pass on this information concerning a project that has been taking place in our locality. Art is something that I feel very strongly about, as it has so many benefits to children, and adults, in regards to mental health and well-being, personal development and development of a variety of skills.

On 30th July, the Stretford Art Club are asking us to help to turn our streets into an art gallery. The theme is **Carnival** and it would be fantastic if your family could produce some art work to be displayed in your front window on the 30th July, to be kept there for 3 days. You can then walk around Stretford and look at all the wonderful pieces of art.

School uniform

We are aware that some very organised parents might be looking to purchase school uniform in the next couple of weeks for the September start. Please find below our school uniform list.

Polite reminder

A polite reminder that all accounts are to be paid in full before the end of term. This includes, Breakfast, After School and Nursery.

Early Finish on Friday 16th July

On Monday you will receive a letter regarding the early closing on our last day of term. It is very important that you please sign and return the slip to acknowledge the closing time.

Amazing Children

Dylan Y3 has been playing for Longford Park Football Club and on Saturday scored a Hat-Trick in his team's 3-2 victory over Ashton on Mersey. For his efforts, he was named player of the day and won a medal and trophy. We are all so proud of you, Dylan, well done!

I have to mention some Y6 boys that have really made me proud this week. These boys have been gardening and trying to clean up our garden areas and I think they have done an amazing job! Maciej, Bertie, Alfie, Dominik and Romaeo have worked extremely hard and I am so grateful to them. Here are some photos:

A request from a parent

A number of our Year 5 boys play football together outside of school. Their team is called North Trafford Athletic Lions and they play on Longford Park. The majority of the players are St Ann's pupils. The football club is run by a small group of parents (one of whom is a year 5 parent) who are all volunteers and they give up so much time and energy for the boys.

After the events of the little boy who was tragically killed by lightning in Blackpool recently and then, last week when the Finland player suffered a cardiac arrest on the pitch, a parent has made the decision to fundraise, so that the Lions can purchase their own defibrillator to protect the boys in the event of a cardiac emergency.

If you would like to donate to this cause, there is a gofundme page.
You can use the link below:

Thank you for your continued support, have a lovely weekend,

Mrs Noctor
