21st May 2021

Dear parents/guardians,

First of all, I would like to thank again all those parents who voted for St. Ann's in the 'Our Kids Social' Facebook page competition. I am delighted to report that we won the competition and now our Y6 children will be able to enjoy a 'silent disco' as one of their leaving treats! It is wonderful to see so many people coming together for our school family.

Nursery Places Reminder

We still have part-time and fulltime Nursery funded places available. Please contact the office for further details.

RHE questionnaire

A reminder that the closing date for the RHE questionnaire is next Friday 28th May. We really appreciate your input as this will help us to shape the curriculum moving forward. It is also an important issue about which I am sure lots of parents have strong views and we welcome your opinions.

Please see the attached letter regarding picking up children at home time. As a school we take the safety of our children seriously and so have a strong policy to ensure this. I hope you will agree with our policy.

Last week I received an email which really made me smile. Reissio in Y1 has starred in a TV advert and his mum sent me a photo of a poster and a link to the advert. I thought you would like to see both so here is the link and poster:

Well done Reissio!

Y5 Butterflies

Y5 have been studying butterflies. They recently had some caterpillars in class, which hatched last week and were released into the wild. Mrs Millard and Mrs McGarry sent me some photos to share with you.

Class Photographs

A little reminder that the last date to order class photographs is Wednesday 2nd June directly with Gilman & Soame.

Half Term

Please be reminded that we finish for half term next Friday 28th May 2021 at 3.30pm and return to school on Monday 14th June at 8.45am onwards.

Have a lovely weekend, I hope we get a little bit of sunshine!

Mrs Noctor
