23<sup>rd</sup> April 2021

Dear parents/guardians,

What a lovely week we have had! Lots of sunshine and lots of hard work and fun in school. The children are enjoying using the chalkboards we have recently purchased for the playground and I have seen some amazing pieces of art work displayed on them. It's great that we have been able to enjoy outside play so much this week.

#### Parents' Evening/Meetings

Parents' evening meetings are taking place throughout next week. If you have any problems accessing TEAMS or attending the meetings, please do not hesitate to contact the office.

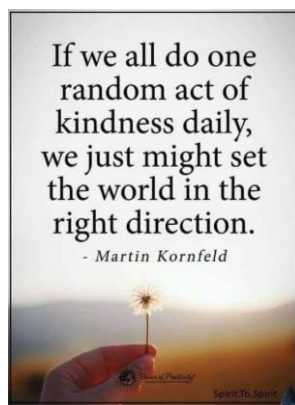

#### Dates for this term

As we are still in unpredictable times, the dates we are sending home today are provisional and are subject to change. We are trying to plan for events that we had to miss last year, but obviously we may have to change the way we do things. Please bear with us and we will keep you informed as the term progresses.

#### Y4 Swimming

At the moment there are no plans to go swimming this term. We are currently looking into how we can ensure that the current Y5 and Y4 will be able to receive swimming lessons next year. It is our intention that these children will not leave our school in Y6 without having the opportunity to access swimming lessons.

No photos of children this week so I thought I would post a thought for the day...

Thank you for your support, have a lovely weekend,

Mrs Noctor
